

# **IMPORTANT PUBLIC MEETING ALERT**

## **ALL ALCOA AND BLOUNT COUNTY RESIDENTS**

### **PROPOSED 6 LANE BYPASS PARALLEL TO ALCOA HIGHWAY**

Public hearing scheduled at the Alcoa Service Center

Tuesday, November 9, 2010, from 5 PM to 7 PM.

Alcoa Service Center  
725 Universal Street  
Alcoa, TN 37701  
865-380-4800

- \$64 million 6-lane road to bypass a 3.1 mile section of Alcoa Highway.
- Singleton Station Road/Alcoa Hwy to Hunt Road and/or Hall Road.
- Cheaper option can correct existing Alcoa Hwy for nearly 1/64<sup>th</sup> the cost.
- Alternatives: better frontage roads, turn lanes, controlled access.
- Both ends flow into bottlenecks which are not addressed by plan.
- Negligible savings in driving time.

This project will hurt businesses along the current Alcoa Hwy making it a possible dead zone, reducing income for Alcoa and Blount County. It will increase noise and air pollution around parks and neighborhoods, lower residential property values, and encroach on Springbrook, one of Blount County's most historic and beautiful parks/neighborhoods.

**PLEASE ATTEND THIS MEETING AND SUBMIT YOUR IDEAS ON HOW TO MAKE THE EXISTING ALCOA HIGHWAY A BETTER ROAD OR SUBMIT IDEAS FOR ALTERNATIVE TRANSPORTATION WITHOUT THE NEED FOR AN ADDITIONAL INVASIVE 3-5 MILE SUPER-HIGHWAY THROUGH BLOUNT COUNTY AND ALCOA.**

Unable to attend? Contact TDOT with "Written statements and other exhibits." Must be submitted within twenty-one (21) days after the meeting date to:

Project Comments-SR-115 (Alcoa Hwy) Bypass  
Tennessee Department of Transportation  
Suite 700, James K. Polk Building  
505 Deaderick Street  
Nashville, TN 37243-0332
