Dear Mr. and Mrs. Neal

Thank you for your January 31 letter regarding the environmental assessment conducted for the State Route 115/U.S. 129 – Relocated Alcoa Highway project in Blount County.

Under our delegation of authority, our Division Administrator in Tennessee, Ms. Pamela M. Kordenbrock, is responsible for decisions on review of projects under the National Environmental Policy Act. Therefore, I have asked her to respond to you regarding your concerns about the Alcoa Highway project.

I am sure you will hear from Ms. Kordenbrock soon, but if you have any questions in the meantime, you may contact her at 615-781-5770.

Sincerely yours,

Gerald Solomon
Director, Office of Project Development
and Environmental Review
